# NATIONAL ADVENTURE CAMP @ MANALI

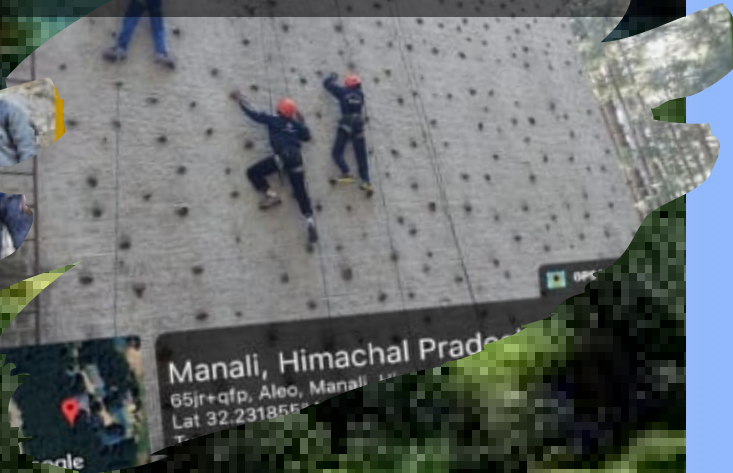

— for Nurses Day 2026

I had the opportunity to participate in the National Adventure Camp 2025 organized under the National Service Scheme (NSS) at the Atal Bihari Vajpayee Institute of Mountaineering and Allied Sports (ABVIMAS), Manali. The camp brought together 100 NSS volunteers from five different states, including 20 participants from the Puducherry NSS Cell, providing a valuable platform to interact with students from diverse cultural backgrounds.

Through various adventure activities and training sessions conducted by professional instructors, I was able to enhance my leadership skills, teamwork, and physical endurance. The serene yet challenging Himalayan environment played a significant role in shaping my discipline, resilience, and adaptability. This experience also deepened my environmental awareness and strengthened my sense of national integration, making it a truly enriching and memorable journey.
